

Forks Spark House Maker Space Meeting – Signup & Interest Form

Welcome

A Maker Space is a community workshop where people come together to create, learn, share tools, and build ideas. We offer access to equipment, classes, and a collaborative environment for makers of all skill levels — from hobbyists to pros.

My contact information: forkssparkhouse@gmail.com 360 300-6222

Please fill out this form so we can stay connected and plan future activities that match your interests.
